

Asbury Hills

Camp & Retreat Center

At Asbury Hills we are all about fun, faith, & fellowship.

This is a place where you will experience God like never before through powerful worship, exciting activities in God's creation, and conversations with new friends.

Detailed information about Asbury Hills Summer Camp 2012 is available on our website. Check us out and sign up today!

Our summer camp program has four goals we strive to accomplish with each camper:

- 1) Be Safe!** Our future and everyone's happiness depend on consistent dedication to everyone's physical, emotional and spiritual safety.
- 2) Make new friendships and find acceptance.** Provide, for each camper, a positive growth experience that she or he will remember and to which that camper can choose to return. We want campers to be accepted for the positive people they want to become, valued for their individual gifts, and loved because they are children of God.
- 3) Develop skills and celebrate God's creation.** Provide inclusive, age appropriate, engaging activities that are unique to camp. We will also use Asbury Hills' amazing mountainous setting and natural beauty to create a love for the wilderness.
- 4) Grow in your relationship with God.** Provide a loving spiritual community that will either introduce your campers to Jesus Christ or help them to grow or renew their personal faith journey. We want campers to celebrate in Christian fellowship with one another.
